

To all our reviewers, from A to Z, thank you for your time, your insight, and your continued contribution to IRRODL in 2020 and early 2021.

The 417 names below include those who completed at least one review in 2020 or early 2021. We are very grateful for the contribution of your valuable time and expertise. IRRODL could not be “the leading journal” in our ODL field without you!

Names are listed alphabetically by first name. There is no particular order within each grouping. Apologies to those whom we might have missed, or to those whose names may appear incorrectly.
